

OTGA/INIOAS: Remote Sensing Coral Reefs (1–4Sep19)

This is the official application form for the OTGA/INIOAS – Remote Sensing of Coral Reefs Training Course, to take place between 1 – 4 September 2019, in Tehran, Iran.

Before you start filling the online application form, please make sure to have available the following:

- a motivation statement (text file) of maximum 300 words;
- your passport number; in case you are a national of the host country a valid identification/citizen card number can be used instead of the passport number;
- scan of the endorsement letter (in case you request any funding).
- link to your profile on OceanExpert (www.oceanexpert.net); if you don't have one make sure you create one in advance (this is mandatory).

The deadline to submit the application closes on 21 June 2019. Do not leave for the last minute since the system will close automatically. In case you have any questions please contact the organisers well in advance: given time differences you may not get a reply to your question(s) immediately.
