PacWave 22 SURVEY

- 19 PICTs Responded

A word cloud of Pacific Island Countries and Territories (PICTs) names. The words are arranged in a roughly rectangular shape, with varying font sizes and colors (teal and dark teal). The largest word is 'PNG'. Other prominent words include 'Samoa', 'Solomon Islands', 'French-Polynesia', 'Tonga', and 'Vanuatu'.

FSM
Tonga
Vanuatu
French-Polynesia
Samoa
PNG
Fiji
Tuvalu
Tokelau
Dan Tari
Solomon Islands

PacWave22 PICT Regional Exercise Evaluation

Response Received:

- Solomon Islands
- Tokelau
- Fiji
- Samoa
- French Polynesia
- New Caledonia
- Australia
- New Caledonia

Way Forward

- Encourage PICT to be responsive to PacWave Evaluation Exercise
- Consolidate and streamline Assessment of Warning and Mitigation Capabilities at all levels;
 - Post-Event Assessment HTHH -15 January, 202
 - PacWave Exercise Evaluation
