**TOWS-WG Task Team Tsunami Watch
Operations**

27 Feb-3 March 2023

Significant Events

- Two noteworthy events occurred in Indian Ocean during the reporting period
 - i. M6.7 on 13-March-2022 at 21:09 UTC at Southern Sumatra, Indonesia
 - ii. M6.6 on 18-Nov-2022 at 13:37 UTC at Southwest of Sumatra, Indonesia

For both events, TSPs issued No-Threat bulletins to Indian Ocean Region

Thank you
