

*Training/Workshop on  
Tsunami Evacuation Maps, Plans, and Procedures and  
the UNESCO-IOC Tsunami Ready Recognition Programme for the Indian Ocean Member States  
Hyderabad - India, 15-23 April 2025*

# **UNESCO-IOC Tsunami Ready Indicators**

## ***TRRP A: Knowing your community for Tsunami Ready***

**Ardito M Kodijat**  
UNESCO-IOC IOTIC

It's all about a success story

**Think about a community in your country that is prone to tsunamis, where you would like to pilot the Tsunami Ready program**

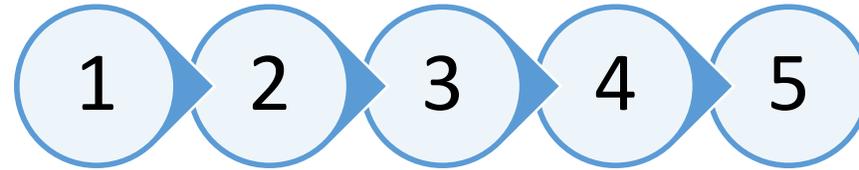

**Take a card and write the name of the community, the district, the province, and the country**

*Consider the criteria for selecting the community to decide which level of Tsunami Ready should be implemented*

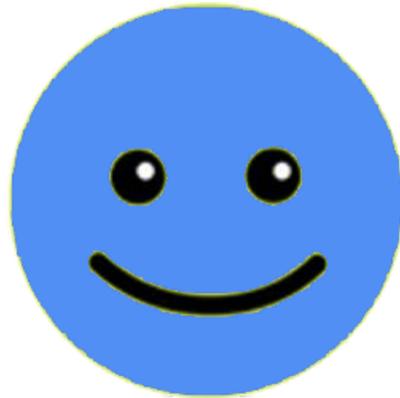

TEMPP 2025

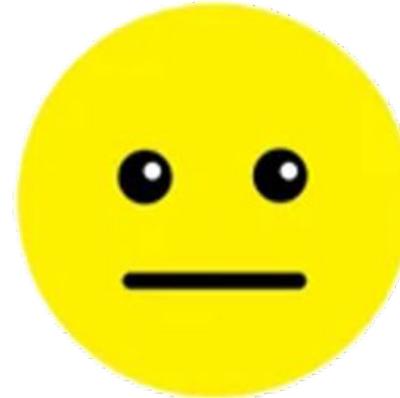

# Q1: Is this community aware of the tsunami hazard in their area?

**They have good awareness and preparedness regarding the tsunami hazard.**

**They have awareness and preparedness for other hazards, but not for the tsunami.**

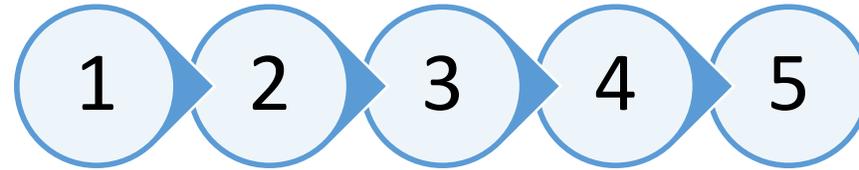

**They are aware of the tsunami hazard but are not prepared for it.**

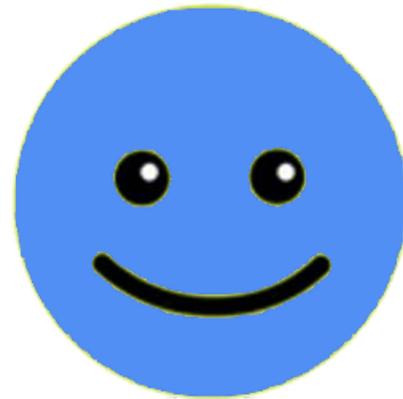

**They do not have any awareness or preparedness for the tsunami hazard.**

# Q2: Have there been any specific awareness and preparedness activities in this community?

**There are regular community activities on tsunami awareness and preparedness (at least once a year)**

**There are regular awareness and preparedness activities for other hazards, but not for the tsunami (at least once a year)**

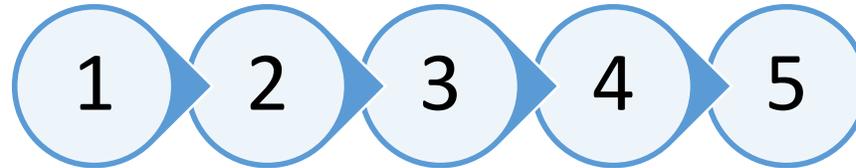

**There were activities, but not in the past few years**

**There have not been any awareness or preparedness activities**

# Q3: Are there programs in place to conduct disaster awareness and preparedness in the community?

**There is a specific program for tsunami awareness and preparedness**

**There is a program for multi-hazards, including tsunami**

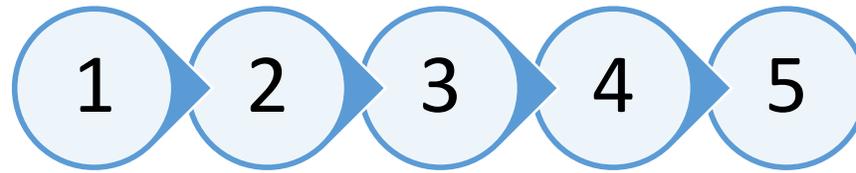

**There is a program, but it is for other hazards not for tsunami**

**There is no plan**

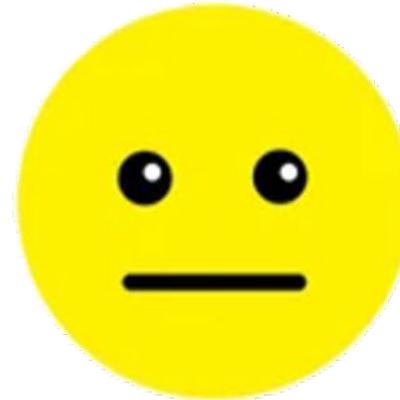

# Q4: Are there any community champions who can be engaged for disaster risk reduction?

**Yes, there are several champions who have been actively engaged**

**There are champions, but they have never been engaged**

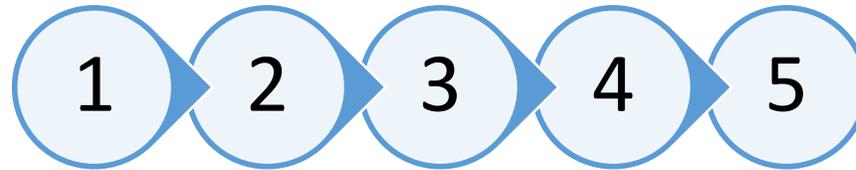

**There might be champions, but they still need to be identified**

**There are no champions that can be engaged**

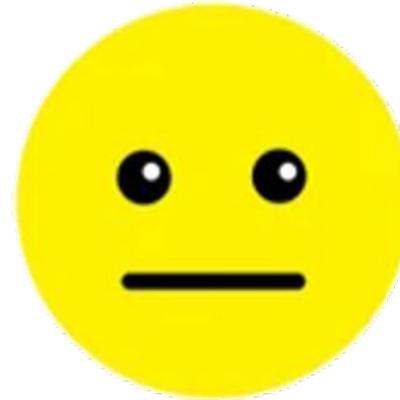

# Q5: Will the community be enthusiastic about building tsunami awareness and preparedness?

**I know the community members are very enthusiastic and always participate actively**

**Some of them are interested and willing to volunteer their participation**

**They will be willing to participate only if required or if there are incentives**

**There is no interest due to various reasons**

# Thank you
